Regular Registration Procedures

1. Remove all holds which will prevent your registration (Business Office, Housing, Health Center, Library Fines, Parking Tickets, Adviser, etc.)
2. In consultation with your academic adviser, plan your schedule. List all information requested on the schedule request, including the section identification for each course. You must also list alternative courses. **Your schedule request must be signed by your academic adviser.** If you are unsure of the name of your academic adviser, inquire at the Office of the Department Chair of your academic major.
3. Check carefully the information required to complete the top portion of the schedule request.
4. Check and correct (if necessary) the information required to complete the personal data sheet.
5. Report to your designated registration area according to the registration schedule. Undeclared majors and conditionally admitted undergraduates register in Eldridge Hall 102; other students register in the departmental offices of their declared majors.
6. Present the completed schedule request to the terminal operator who will enter the courses (or alternative courses, if necessary) and print your schedule and statement of fees, or you may register online through Web Express (not available to first time Troy students).

SPECIAL NOTE: Students who, for any reason, register for classes but do not attend **MUST NOTIFY THE REGISTRAR'S OFFICE IN WRITING TO WITHDRAW** prior to the first class day of the semester. Any student who fails to do so will be responsible for payment of fees and will be charged with failing grades, as noted in the Dates to Remember.

Special Graduate Student Registration

Graduate students who are currently enrolled are encouraged to register during early registration. Those for whom this is not possible may register during registration on **January 4-8** in the department or in Adams Administration Building, room 135 from 8:30 a.m. to 4:30 p.m.

The textbook center will be open during these hours. Graduate students who register early will be responsible for the payment of tuition and fees by the date specified on the early registration statement.

**ALL FINANCIAL AID INFORMATION
MUST BE COMPLETED IN SUFFICIENT TIME
TO BE PROCESSED PRIOR TO REGISTRATION**

The payment of charges for tuition, fees, room, and board is part of the registration process. Troy University encourages full payment of all tuition and related fees by the last day of the regular registration period for the current semester or term.

Payment of fees may be made on-line using Trojan Web Express or at the office of the Student Financial Services. Troy University accepts Visa, MasterCard, Discover, American Express, money orders, checks, echecks and cash.

Payment of Registration Expenses

Troy University offers a tuition and fees payment plan which helps in budgeting college costs but requires financial planning by students and their families.

The essential ingredient for a successful registration is early planning.

Students are required to pay one-third of all semester charges **by the last day of regular registration for the current semester or term** in order for registration to be completed. Students with an account balance after the first payment due date will be assessed a \$25.00 payment plan fee. To meet the one-third requirement, students may apply the following:

- Awarded institutional scholarship
- Awarded financial aid
- Payment by cash, check, echeck, money order, or credit card
- **Payment from sponsors: If students wish to use the payments from the sponsors in the**

calculation of the 1/3rd payment requirement, the University must receive the following information prior to 1st payment due date, January 6, 2010:

Email jonorris@troy.edu

- **Student Name and ID**
- **Sponsor Name**
- **Educational Expenses to be Covered by Sponsor.**

The remaining semester balance may be paid in two installments. Failure to pay the entire balance of tuition and fees by the third payment date will result in a late fee of \$50.00. Also, failure to satisfy financial obligations to the University will result in having a restriction placed on future class registrations, possibly having the account assigned to a collection agency, and non-release of transcripts. A current semester or term debt must be paid-in-full before a student will be allowed to register during registration dates that occur prior to the third payment due date.

Payment Plan

At least 1/3 of all tuition, fees, and charges are payable by the last day of regular registration or at the time of late registration. The remaining balance will be required in two payments due approximately one month apart. Failure to pay all charges by the third and final payment date will result in a late payment fee.

Registration is not complete until 1/3 payment of tuition, fees, and charges has been made.

It is the responsibility of the students to pay their account balance by the established payment due dates.

Payment of Account Summary

All financial or other obligations to the University must be cleared prior to the end of each semester or term. An outstanding balance for a prior semester or term must be paid before the student will be allowed to register for subsequent semesters or terms.

Transcripts will not be issued if financial obligations have not been satisfied. Failure to meet financial obligations to the University could subject the student to additional late payment charges, as well as collection cost.

Clearance of Obligations

In addition to registration expenses, miscellaneous expenses may be incurred by

students. These charges are payable when incurred.

Students may **NOT** add a course after January 11 in person or on Web Express.

CAUTION: Students who receive financial

assistance should check the Catalog and/or satisfactory progress policy at www.troy.edu/financialaid PRIOR TO dropping below the credit hour requirement for full-time status. Dropping below full time status could adversely affect financial aid award and future eligibility.

Any student whose scholarship or financial aid requires full-time status will be billed for the full amount of tuition and fees if he or she fails to maintain full-time status.

Dropping and Adding Courses

Troy University endeavors to offer the finest education possible at an affordable cost. A Troy University degree is accessible because of the number and types of financial assistance available to students.

- Federal Pell Grants
- Federal Workstudy (FWS)
- Alabama Student Assistance Program
- Student Loans (Stafford and Perkins)
- Federal Supplemental Educational Opportunity Grants (FSEOG)

If you need a paper FAFSA, you may obtain one by calling 800-4-FED-AID or 800-433-3243.

If you have already applied for current year financial aid, the USDE will send a reminder in November/December to all renewal eligible applicants with a valid e-mail address. If e-mail is undeliverable, a paper reminder letter will be sent. Students without a valid e-mail address will receive paper reminders rather than pin mailers.

If the student has not reapplied by **February 2nd**, the USDE will send follow up e-mail reminders or paper mail reminders as appropriate.

Students **MUST APPLY AS EARLY AS ALLOWABLE** for financial aid in order to avoid difficulties. **March 1** is the application priority date. Moreover, students **MUST CAREFULLY CHECK** the accuracy of their applications to avoid unnecessary delays and other complications.

Repayment begins in 6 months. There are deferments of payment for unemployment, hardship, etc. See Financial Aid Adviser.

Students who do not attend any classes will forfeit their financial aid. Students who are reported as not attending a class for which they are registered will receive a non-attendance letter/form requiring an instructor's signature or financial aid could be reversed, forfeiting the aid. The student will also be required to pay all tuition and fees. Withdrawal from the University will also require repayment of unused portions of federal assistance.
